Diskotek - Hit the city (album)

This year Diskotek will release two albums.

The first one (Diskotek - Hit the city) will be released 09.05.2014. This is Diskotek's third album, more electronic and darker than "I wanna dance with somebody, anybody" (2006) and "She doesn't even look at the dancefloor" (2011).

The album "Hit The City" includes 10 tracks.

Diskotek has played support for artists such as White Lies & Ellie Goulding. Diskotek has been featured on the compilations "Advanced Electronics 7" (number two on alternative album charts in Germany). Music Export norway pop sampler and This is independent (Amazon USA compilation).

Diskotek won the Baltic Song Contest with the song "Don't know your name" in 2011. Broadcast to more than 3 million viewers.

Diskotek's fourth album (TBA) will be released autumn 2014.
